

Subject: Letter of Recommendation

To whom it may concern:

For the past 3+ years it has been our pleasure to have Peter in the Webcor family. Peter has been an exceptional employee who can be counted on to give his best effort every day. Peter was a key member on our LA Live project team; a project that is considered the main center piece of the downtown Los Angeles resurgence. As assistant superintendent Peter was responsible for both the front end coordination and actual construction of the lobby and public areas.

In addition Peter's knowledge and skillset working with BIM in the early stages of the project set the pace for the fast track 54 story tower that was finished 3 months ahead of schedule.

If you would like to discuss anything further I can be reached @ 213-239-2800.

Sincerely,

Mark Turner  
Vice President, Operations  
Webcor Builders
